Home Blood Pressure

High blood pressure (hypertension) affects more than one billion people globally—30% of those people with hypertension go untreated. Since often no warning signs or symptoms are associated with it, everyone is at risk. That is why it is so important to measure blood pressure regularly.

Trust Welch Allyn to bring you a complete line of blood pressure solutions to meet your every need.

OSZ 5
Upper Arm Blood Pressure
Measurement System

OSZ 3
Wrist Blood Pressure
Measurement System

Welch Allyn OSZ 5 and OSZ 3 Automatic Blood Pressure Monitors

Accurate, easy-to-use automatic blood pressure systems.

- Easy-to-use, one-button operation
- “Fuzzy logic” smart inflation system is faster and more comfortable for the user
- Large, easy-to-read display shows systolic, diastolic and pulse measurements simultaneously
- Convenient battery door makes it easy to change batteries
